

UPDATED WITH 2022 TEXAS PRE-K GUIDELINES

Designed by experts from the Children's Learning Institute, the **CIRCLE Pre-K Curriculum** provides everything your program needs to support weekly planning and delivery of prekindergarten instruction. Our resources are highly rated and readily available for your program's use.

WHAT MAKES OUR CURRICULUM SPECIAL

- Adopted by the State Board of Education
- 100% alignment to Texas Prekindergarten Guidelines
- Teacher-directed lessons and child-initiated activities
- Playful and purposeful experiences for every setting
- Planning guidance and sample lesson plans for the entire school year
- Videos of lessons with real teachers
- And so much more!

Free digital access on CLI Engage.
