

WHAT IS YOUR ROLE IN CLI ENGAGE?

Are you allowed to see data from your entire organization?

●..... NO>

YES

COMMUNITY/DISTRICT LEADER

Each organization enrolled in CLI Engage must have at least one **Community/District Leader**, but multiple people can be in this role, if needed. These individuals are responsible for serving as primary point-of-contact for the organization and oversees data uploads into the system and data report access. The Community/District Leader can create CLI Engage accounts for their administrators with the same level of access and who assist with these related tasks.

This role could apply to:

- Superintendents
- Assistant Superintendents
- Early Childhood Directors
- Early Learning Directors
- Head Start Grantee Directors
- RTI/Dyslexia/504 Coordinators
- Curriculum & Instruction Directors
- Data Managers/Technology Staff
- ESC Staff

Are you allowed to see data from your entire campus or more than one campus?

●..... NO>

YES

PRINCIPAL/DIRECTOR

Principals/directors can upload data and pull reports for their assigned school(s).

This role could apply to:

- School Principals
- Assistant Principals
- Head Start Program Directors
- Child Care Directors

SCHOOL SPECIALIST

School Specialists are those who work to support and mentor teachers in specific content areas, such as reading or math. These users have access to campus data and can pull reports. They have to be assigned to specific classes to get access to student results and can have access to more than one campus, if needed. When a School Specialist account is created for a school or district employee, submit a help ticket to request to add the SS Full Access permissions package.

This role could apply to:

- Instructional Coaches
- Curriculum Specialists
- Instructional Specialists
- Head Start Mentors

Are you only allowed to see data at the classroom level?

●..... NO>

YES

TEACHER

Teachers have access to student-level data and reports to conduct child progress monitoring and instructional planning. They can be assigned to multiple classes, if needed, and can update their class roster(s).

This role could apply to:

- Teachers
- Assistant Teachers
- Paraprofessionals
- Teacher's Aides

SUBMIT A HELP TICKET
