GK-52 r-Controlled Vowel Bingo

Blackline Master available
www.tpri.org

Students play bingo using picture cards and r-controlled vowels.

MATERIALS: Chalkboard/chalk, picture cards, bingo boards, chips/counters, pencils/markers

- 1 Select r-controlled vowel spelling patterns and write them on the chalkboard large enough for students to view.
- 2 Find picture cards with the same r-controlled vowels as those selected. Have multiple pictures for each r-controlled vowel pattern.
- 3 Create blank bingo boards with five columns and four rows, for a total of 20 squares.
- 4 Give each student a blank bingo board and 20 chips.
- 5 Using the patterns on the chalkboard, students fill in the squares on their boards in random order, writing one r-controlled pattern per square, with each pattern written in multiple squares.
- 6 One at a time, turn over a picture card and say the word depicted. Students use a chip to cover a square with the r-controlled vowel pattern that matches the picture.
- 7 The first student to cover an entire row or column wins.
- 8 Students clear their boards and play again as time permits.

PREPARATION OF MATERIALS: Print a blank 16 square BINGO sheet for each student. Print the picture cards. Cut the picture cards apart. Follow the directions for play.

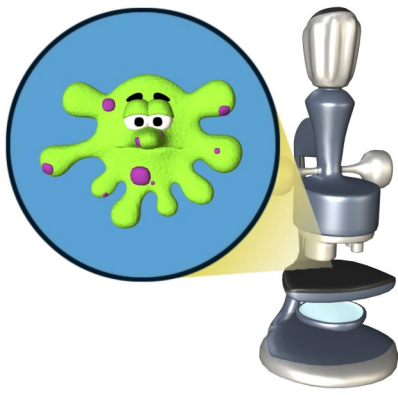

r-Controlled Vowels:	er	ur	or	ar	ir
----------------------	----	----	----	----	----

Set 1 (er, ur)	
germ	fern
herd	shower
spur	purse
hurt	curve

Set 2 (or, ar)	
torch	corn
storm	fork
farm	cart
party	yarn

Set 3 (ir)	
skirt	shirt
bird	stir
