VOC-24 Memory Hunt: Homonyms

Blackline Master available
www.tpri.org

Students play a Memory-style card game, attempting to find and pronounce pairs of words that are homonyms (words that sound the same, but are spelled differently).

MATERIALS: *Small index cards, marker*

- 1 Choose eight to 10 homonym word pairs. Write each word of the pair on separate index cards, for a total of 16 to 20 cards.
- 2 Arrange the cards face down on a table.
- 3 Students take turns turning over a card, saying the word, and then turning over a second card and saying the word. If the student turns over matching words (homonyms), it makes a pair and the student keeps the cards.
- 4 Play continues with each student taking one turn at a time until all cards are picked up.

VARIATION: The game also can be played matching synonyms, or antonyms and synonyms.

PREPARATION OF MATERIALS: Print Set 1 and Set 2 word cards on different colored paper. Cut the word cards apart. Follow the directions for play.

Set 1	
cent	four
ant	close
ate	dear
hear	be

Set 2	
sent	for
aunt	clothes
eight	deer
here	bee

Less Challenging: Introduce the activity by using only 4 pairs of matching word cards. As students experience success with the activity, gradually increase the number of cards used during the game.

More Challenging: Print Set 1 and Set 2 on the same color of paper.
