

# Toddler Exemplars

**P-ILE-03** focuses on developmentally appropriate teacher and/or child created materials that are displayed at the child's eye level. The following pictures represent a toddler-learning environment. Realistic pictures of children's family members, pets, and other familiar people and places and arts or crafts created by teachers or children are displayed at children's eye level.

Children's artwork and a teacher-hung poster displayed at the child's eye level

Family photo collage, pictures of familiar places, and pictures of places around the world are displayed at the child's eye level
