Are you wanting more out of your early childhood career? Then join our Registered Apprenticeship Program!

The Registered Apprenticeship Program (TSR-RAP) will leverage the Texas School Ready model to support apprentices (teachers) working towards the nationally recognized Child Development Associate® (CDA) Credential. Through the TSR-RAP apprentices will enhance teaching practices and receive professional development training.

When you join our program, you will:

- See increased wages & stipends while you participate
- Gain access to free professional development
- Get individualized coaching
- Get help working towards a CDA® Credential
- Be provided a pathway to college degree(s)

You're eligible if you:

- Have a high school diploma or GED (at minimum)
- Get two letters of recommendation (required)
- Will commit to the program for two years
- Are employed full-time at a TSR site

Apply to our program now and change the course of your career! Want more information? Email tsr.rap@uth.tmc.edu.
