Student Report for Parents

El Inventario de Lectura en Español de Tejas (Tejas LEE) 2do Grado is a reading assessment in Spanish that provides information about your child's reading development in Spanish, including strengths and difficulties. Your child's teacher uses this information to plan lessons to best meet your child's individual needs while supporting them in becoming a successful reader. On the page(s) that follows, you will see a summary of your child's Tejas LEE results.

Information about the assessment your child was given

Scores may include levels of achievement that describe how well your child performed on grade-level knowledge and skills.

Levels of Achievement

 Developed Your child mastered the skill.	 Expected Performance Your child's results are at an expected level at this time point. We expect your child to further develop this skill during the year, so these results are not considered a problem.	 Needs Intervention Your child's results are below the expected range at this time point. Intervention is highly recommended. See <i>Family Resources</i> for support at home.

Reading Accuracy-Story 5 Wave 3 Developed 2/2	Administration Mode Wave 3 1 * Only the raw score can be reported for this measure
Reading Comprehension-Story 5 Wave 3 Needs Intervention 3/8	Teacher Comments Robert has made great progress in his ability to write and read a word by saying each of the sounds slowly and putting them together. He could benefit from additional support in the area of reading comprehension (this includes the ability to figure out the meaning of what he reads, understand vocabulary words, and draw conclusions). You can help him practice these skills by completing the activities found in the Family Resources section on page 1.
