HEAD START ALIGNMENT

Goal P-SE 7. Child expresses care and concern toward others.

Goal P-PMP 3. Child demonstrates increasing control, strength, and coordination of small muscles.

1 Introduce Activity

Today we will read *Caring*, a book about the different ways people can be caring to each other. When you are caring, you are nice to other people and you try to help them. There are lots of different ways you can be caring.

While we read, think about ways you can show people you care about them.

Read the book. Stop during reading to ask questions and respond to students' ideas.

Consider these possible stopping points and discussion questions:

- Page 7: **How is the girl being caring to the boy?**
- Page 14: **How do you think the boy feels on his first day in a new class?**
- Page 15: **What did the girl do to make him feel better?**
- Page 19: Model thumbs up/down as you ask: **Is it caring to tease somebody? Show me thumbs up for yes and thumbs down for no.**

2 Model and Explain

Discuss book: After you finish reading the book, consider asking the following questions:

1. **What are some ways to be caring that we read about?**
2. **When were you caring to someone else? How did you feel?**

Act it out: **Now we are going to act out some different ways we can be caring. We're going to look at pictures and act out what we see happening in the picture.**

I'll show you how to do the first one and then we'll try some together. Teacher models first card: following the rules.

3 Guided Practice

Now it's your turn! Let's look at these pictures and act out ways to be caring.

As you read each card, model the action you'd like students to perform. Encourage students to do the motions and repeat the sentence after you. Respond to students' responses to questions and interests.

SCAFFOLDING SUPPORT

Less Support: Reduce choices to questions. For example, you might ask, "**Does following the rules make things fair or unfair for everyone?**"

More Support: Provide a fill-in-the-blank sentence. For example, you might say, "**Following the rules makes things f___ (fair).**"

4 Summarize

There are lots of ways you can be caring to other people! You used your imagination to act out some ways. The next time you see someone who needs help, think about how you can be caring to that person.
